Thank you
for loving
your brand

Flat sides

Flat sides are an easy to use option. Simply snap on with magnetic bars to get a stylish finish on your display.

Connection kit

Click to connect any two **Impact Modular** structures. Straight and 90° connections are available.

Shelf kit

Add a shelf to display your products. No tools needed.

Screen Holder

Small screens up to 8kg, and large screens up to 25kg

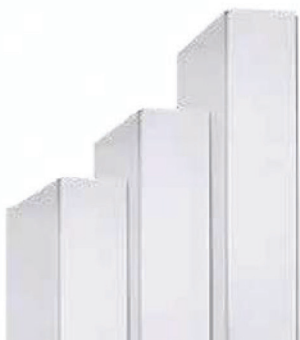

Stabilising feet

Increases the stability depending on configuration.

Curtain profile

Attach a curtain profile easily with velcro to create a separate storage room.

Different heights

Use different magnetic bars and structures to reach 2,5 and 3 m height (98" and 118").

Transport cases

Transport cases that can be converted into stylish counters. You can also store your custom exhibit and have everything ready for the next event.

Spotlights

Impact Modular can be complemented with one or more grey 120 W halogen lamps, which cast light evenly over the entire image.
