

Guideline for preparation of print files

- Use our templates. Available in downloads
- Save as a pdf with all text converted to path.
- Save PDF for Acrobat 6 (PDF 1.5) or later.

Image resolution

Images should have a resolution of 100 dpi in 1:1 scale.

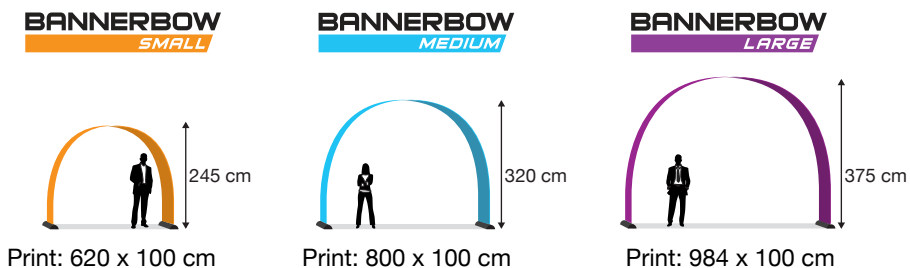

As our Event Arch templates have the scale 1:2 the artwork requires a resolution of 200 dpi. The template for the Backdrop is in scale 1:1

Formats

We can use artwork as pdf from both PC and Mac.

It is important that all attached images have high resolution and that linked objects such as fonts or logos are embedded in the file.
